

Azure

Eligibility

- Any person who resides in Latin America or the Caribbean. The maximum age for enrollment is 70.
- Dependent children up to their 18th birthday or if they are single and residing with the policyholder up to their 30th birthday. Dependents studying full-time outside their country of residence until their 24th birthday.
- Medical Exam is required for all proposed insureds age 65 and over.

Deductible Options

I	II	III	IV	V	VI
US\$500	US\$1,000	US\$2,500	US\$5,000	US\$10,000	US\$20,000

- Applies per insured, per policy year, up to a maximum of 2 deductibles per family.
- In case of an accident in country of residence in which one or more family members suffer injury only one deductible per policy year will apply.
- Expenses incurred during the last 90 days of the policy year not exceeding the deductible will be applied to the next policy year period.

Travel Assistance - Emergency Medical Transportation

OPTIONAL

TRAVEL ASSISTANCE BENEFIT:

- BMI will waive the deductible -up to US\$5,000- in case of a medical emergency due to illness or accident while traveling outside the country of residence. US\$100 copay applies.
- The amount of deductible waived by BMI will be applied to the policy annual deductible.
- Follow-up visits will be covered as per policy benefits. The insured will be responsible for any remaining deductible until the annual deductible is met.

BMI MD Live

INCLUDED AT NO ADDITIONAL COST

BMI MD LIVE is a telehealth service that provides access to a network of board-certified physicians via telephone or video call. The doctors diagnose, provide treatment plans and prescribe medication when necessary, for a variety of non-emergency medical conditions.

Available worldwide 24/7, this convenient service saves insureds on out-of-pocket expenses and helps prevent unnecessary emergency room and urgent care visits.

Coordinate BMI MD LIVE by contacting BMI Access
